

Dear West Haven Friend,

West Haven City is a flourishing community in the western region of Weber County. The city is built on the traditions of early Weber County settlers, with an emphasis on community activities and involvement. West Haven cultivates this hometown country feel with their annual West Haven Day events. The first celebration was held in 1994, and it has grown every year since, with this year being the 30th year.

As in years past, we have many sensational family events planned. Our celebration has something for everyone, from Rodeos, Queen Contest, "Power in the Park" Car Show, Swim Day at Roy Aquatic Center, Baby Show, Quilt Show, Family Bike Ride, 5K Race, Carnival Games, Parade, Vendor Booths, tons of scrumptious Food, live Concert in the Park, Music, and everyone's favorite, our breathtaking Fireworks. West Haven Days is a weeklong collection of activities people don't want to miss.

We have 10,000 plus people attend our celebration, and once they attend one activity, they are there for the duration. West Haven Days' mission is to promote community unity, create memories and have affordable family events. We feel that our celebration accomplishes all of this and more. Through our generous sponsors, West Haven City is able to provide free events for their residents.

In order to continue the magnitude of our celebration, we gratefully rely on our generous sponsors. In turn, we provide numerous advertising benefits including banners, flyers, programs, newsletters, T-shirts, and our website. We appreciate any contribution you may make to the event, monetary or in-kind. A listing of the sponsorship levels, along with the advertising benefits, are detailed in our Sponsorship Levels and Benefits enclosure.

We would love to have you as a sponsor this year. Please e-mail or call Sheri Bingham at sherib@westhavencity.com or (801) 628-1670 if you have any questions. You can mail your contributions and business information to the city at 4150 S 3900 W, West Haven City, UT 84401, Attn: West Haven Days.

All West Haven Days information is listed on www.westhavendays.com. Thank you for your consideration.

Sincerely,

Rob Vanderwood
Mayor
